WALSALL

WALSALL LAUNCH PROMOTION BID

by Tony Pullein

Walsall are currently launching a strong bid for promotion, hoping they can at last return to the Second Division after an absence of 23 years. At one point it seemed the Saddlers might throw in some more giant-killing acts in the F.A. Cup — for which they are so renowned — but now they are free to devote all their efforts to their promotion drive.

The Saddlers reached the third round of the F.A. Cup and took the lead against First Division Manchester City. But they eventually lost 1-3. In earlier rounds they had scored home wins over Preston (7-3) and Port Vale (2-1 after a 0-0 draw at Vale Park).

In the Milk Cup they won away to Wolves (1-0) to complete a 2-1 aggregate victory in round one. They then faced Leeds but, after drawing 0-0 at Elland Road, Walsall were beaten 0-3 in their home leg.

Manager Alan Buckley appreciates that away form will have to be improved if Walsall are to finish in the top three. The Saddlers have been beaten in their last three away League games and their only away victories so far were achieved at Bristol City (3-2), Bristol Rovers (1-0) and Darlington (3-0).

They drew at Wolves (0-0) but went down to Lincoln (2-3), Reading (1-2), Wigan (0-2), Doncaster (0-1), Gillingham (2-5), Bury (1-2) and Swansea (1-2).

An amalgamation of two local clubs saw the emergence of

Walsall Town Swifts in 1888 and four years later they were elected to the Second Division of the Football League. After only three seasons, they failed to gain re-election but they were voted back again twelve months later.

When they were ejected again in 1901, though, Walsall were left out in the cold for 20 years until becoming a founder member of the Third Division (North).

Two seasons ago, when Walsall sensationally knocked Arsenal out of the Milk Cup at Highbury en route to the semi-finals, their performance inevitably brought back memories of another famous Cup clash of 50 years earlier. Then Walsall, humble members of the Third Division (North), entertained League Champions Arsenal in 1933 and beat them 2-0 for one of the greatest upsets then known in Cup football.

Because of their geographical position, Walsall found themselves jumping between the Northern and Southern sections of the Third Divisions until they became founder members of Division Four in 1958.

Two years later they regained their Third Division place and in 1961 they rose once again to Second Division status. They held it for just two years and since then, apart from one season when they dropped into Division Four, they have remained a Third Division club.

Alan Buckley was re-instated

for his second spell as player-manager in 1982. He opened his playing career with Nottingham Forest but found his first-team opportunities rather limited. An £18,000 transfer took him to Walsall in 1973 and he was the Saddlers' top scorer for five successive seasons, scoring 146 goals in the process. Such shooting form made him the target for bigger clubs in 1978 he moved on to Birmingham for £200,000. But he spent less than a year at St. Andrews before re-joining Walsall as player-manager in 1979 for a Walsall record £175,000 fee.

STEVE CHERRY (Goalkeeper). Steve was signed from Derby during the 1984 close-season. He made his first League appearances for the Rams in 1979/80 and two seasons later spent a loan period with Port Vale. He was a regular member of Derby's Second Division side during his last two seasons at the Baseball Ground.

PETER HART (Defender). Peter served his apprenticeship with Huddersfield, making his League bow in 1974. He completed more than 200 League games for the Yorkshire side before transferring to Walsall for £70,000 in 1980. He was ever-present for Walsall last season.

COLIN BRAZIER (Defender). Colin, signed from Lincoln in 1983, started his League career with Wolves in 1977 and completed 76 League games for the Molineux club before signing for Jacksonville Teamen in 1982. He started in 1982/83 with

Back Row, I to r: Ken Mower, Colin Brazier, Steve Elliott, Steve Daley, Lee Harrison, Steve Cherry, Nick Mytton, Mark Taylor, Richard O'Kelly, Tony Millard, Paul Jones, Peter Hart.
Middle Row, I to r: Ian Handysides, Mark Rees, Paul Handsaker (no longer with club), Nick Cross, Willie Naughton, Gary Childs, Phil Hawker, David Kelly, Craig Shakespeare.
Front Row, I to r: Mark Jones, Terry Carville, Thomas Dass, Nigel Kelly, Clive Oscar (no longer with club), Gary West.

Birmingham City and then moved on to Lincoln.

PHIL HAWKER (Defender). Phil served his apprenticeship with Birmingham and made a couple of dozen League appearances for the Blues before moving on to Walsall three seasons ago.

KENNY MOWER (Defender). Kenny is a local lad who developed in the junior teams at Fellows Park. He made his League debut in 1978/79 and the following season he took over the left-back position which he has held for most of the time since.

CRAIG SHAKESPEARE (Midfield). Craig served his apprenticeship at Fellows Park and, since making his League debut at Huddersfield in September 1982, he has been holding his place in the side.

STEVE DALEY (Midfield). Steve won England youth honours during his early days with Wolves. After completing more than 200 League games for Wolves, he was transferred to Manchester City for £1,450,277

in 1979 but that move proved disastrous for him. He picked up the strings of his career with Seattle Sounders in 1981 and returned to England to join Burnley two years later. Following another spell in the USA last season, Steve joined Walsall at the start of this season.

GARY CHILDS (Midfield). Gary developed with W.B.A. and made a couple of appearances in their First Division side in 1981/82. He initially joined Walsall on loan two seasons ago and the full transfer was completed in December 1984.

DAVID KELLY (Midfield). David was introduced to the Walsall side towards the end of 1983/84 when he netted three times in six games. Last season he netted 10 times.

WILLIE NAUGHTON (Midfield). Willie grew up with Preston and was introduced to their League eleven in 1980. After making well over 100 League appearances for North End, he was transferred to Walsall last season.

NICKY CROSS (Forward). Nicky is Walsall's leading scorer with 14 goals. He began his career with W.B.A., making his League debut against Manchester United in 1981. He made more than 100 appearances in the Throstle's First Division side before joining Walsall last summer.

STEVE ELLIOTT (Forward). Steve had made only four appearances in Nottingham Forest's First Division side when Preston invested a club record £95,000 to sign him in 1979. He repaid them by leading their scoring list on three occasions, claiming a personal best 23 goals in 1982/83. Luton signed him for £60,000 in 1984 but he didn't fit in with plans at Kenilworth Road and, after only a few weeks, he moved on again to Walsall. He has scored 12 times this season.

RICHARD O'KELLY (Forward). Richard went straight into the Walsall side following his transfer from Alvechurch five seasons ago. He was top scorer with 18 goals last season.

CLUB NEWS

IN RETROSPECT

We welcome Walsall to Burnden Park today for the 12th football league meeting between the sides with the Saddlers having won 5 of the previous games to Bolton's 4.

The only season that games between the two sides were played outside the third division was 1899/1900 when the clubs met for the first occasion under the auspices of the second division.

A crowd of 4000 witnessed a 2-2 draw at Walsall in November 1899. The Wanderers took the lead through Barlow but Dailly and Martin gave the home side the advantage before Picken equalised for Bolton.

Bolton won the return at Burnden the following March by 2-0, the game coming in the club's best ever defensive run, of 7 games without conceding a goal. The goals came from Brown and Bell as the Wanderers won a couple more points on their way back to the first division.

It wasn't until March 1972 that the two sides faced each other again. On that occasion Walsall registered their only win at Burnden Park to date with a first half goal from Colin Harrison.

A month later Bolton took a point in a 1-1 draw at Fellows Park, John Byrom giving them the lead only for Brian Taylor to equalise for the home side five minutes from time.

In season 1972/73 both sides won their respective home games. In October of that season Bolton's second half goals in a 3-2 defeat came from Paul Jones and Roy Greaves after being three down at half time. At the time both clubs were challenging for promotion but by the following March, when the next encounter took place, Walsall had fallen away.

John Byrom returning after an injury lay off opened the scoring for the Wanderers in the 18th minute but Bobby Shinton equalised before half time. Bolton made sure of the points with second half goals from Paul Jones and Garry Jones to keep up their promotion push.

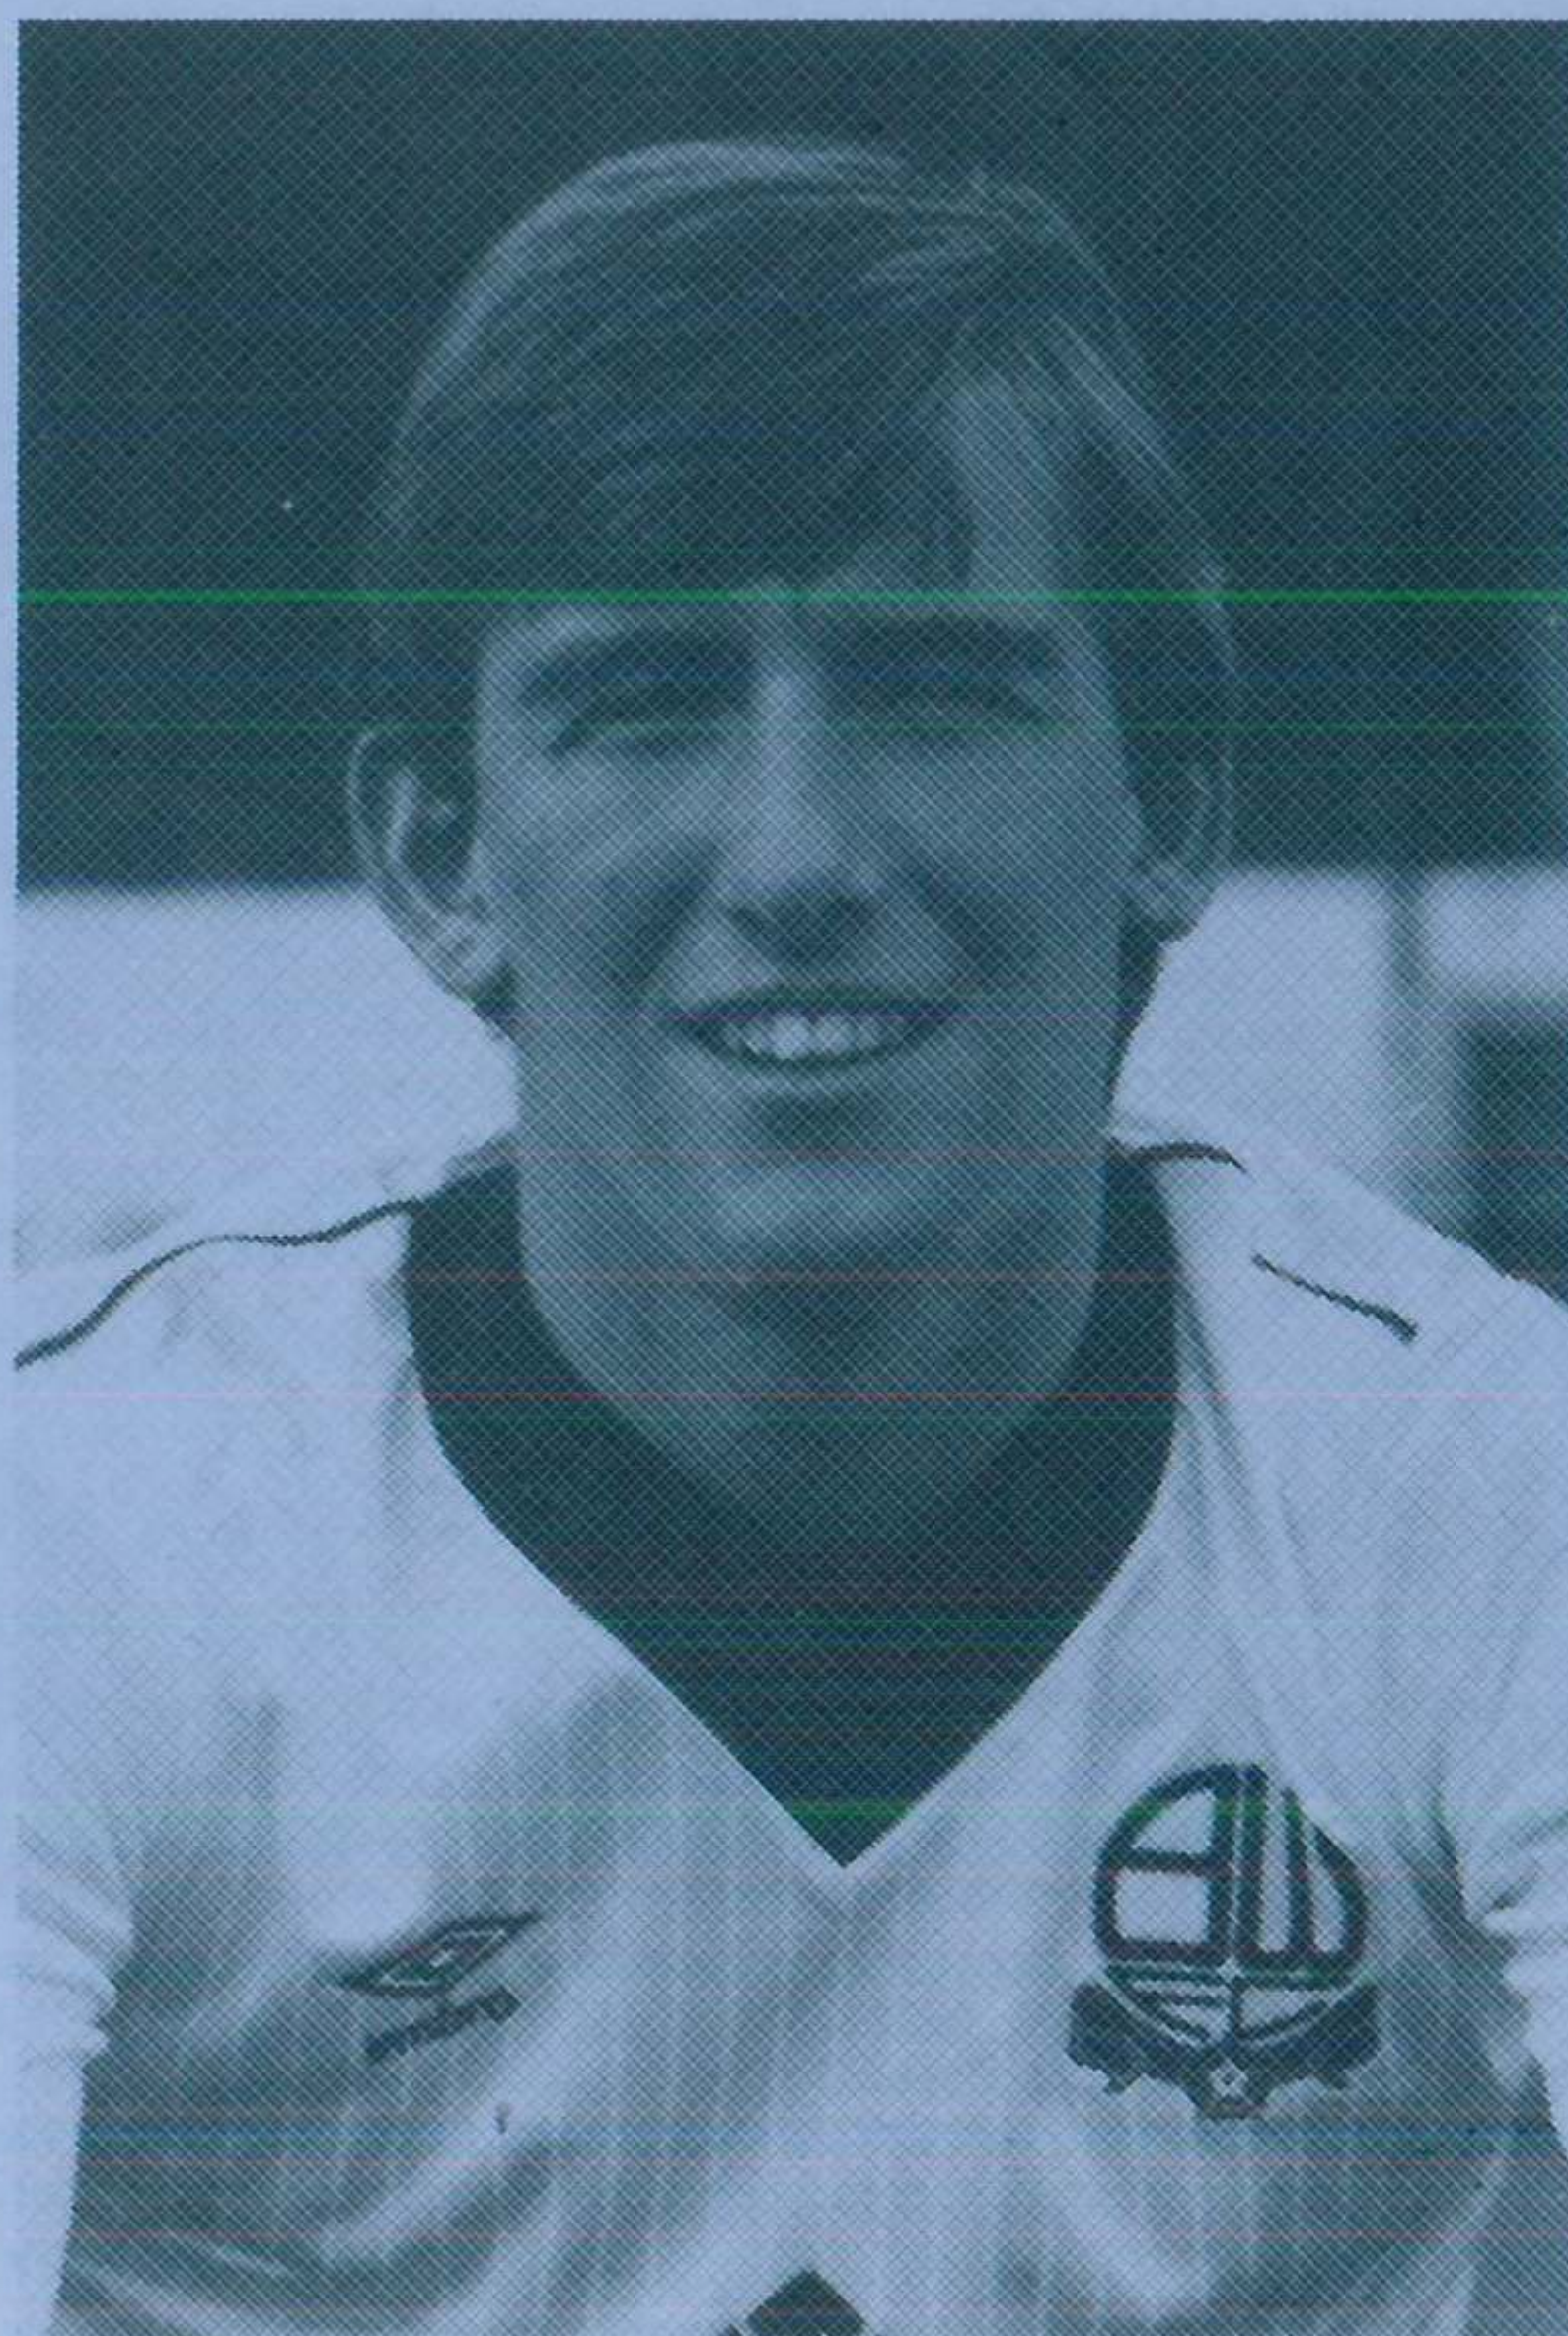

Most supporters will never forget Bolton's 8-1 victory over today's visitors that took place here in September 1983. Tony Caldwell set up a new Wanderers League goalscoring record by grabbing five of the goals and indeed, but for a last minute consolation goal from Ally Brown, the Wanderers would have equalled their best ever League victory. Ray Deakin, Simon Rudge, and Peter Valentine were the other Wanderers' scorers and the two teams were:

Bolton: Farnworth, Borrowes, Deakin, Joyce, McElhinney, Valentine, Thompson, Chandler, Rudge, Caldwell, Redfearn, Sub. Foster.

Walsall: Green, Bates, Mower, Shakespeare, Sinnott, Hart, Buckley, Brown, Summerfield, Preece, Brazier, Sub. Jones.

Walsall gained revenge with a 1-0 victory at Fellows Park with the winner coming from Craig Shakespeare. Wanderers Player-Manager, John McGovern, brought himself back into the side after a 14 month break, but they finished the game with only ten men, Tony Caldwell being sent off for retaliation.

Last season again saw victories for the home club. At Burnden, Bolton registered a 3-1 win, Simon Farnworth pulling off his third penalty save in successive games for the Wanderers. Walsall took the lead after only 4 minutes through Dave Bamber but George Oghani equalised after 22 minutes. Richard O'Kelly saw his penalty saved after half an hour and

STEVE THOMPSON

Bolton made sure of the points with late goals from Steve Thompson and Tony Caldwell despite an off key performance.

Incredibly Bolton gave a better show at Fellows Park last March yet went down 1-0. The winning goal came from Richard O'Kelly seconds before half time, increasing Bolton's relegation fears with their sixth successive defeat.

Last September Walsall ran out 2-0 winners on home soil, yet the game will be remembered more for the fact that Bolton finished with only nine men than for any football.

Richard O'Kelly put Walsall in front with a 20th minute penalty, awarded after George Oghani brought down Gary Childs, although it was a borderline decision. A minute later Oghani was booked for a foul on Peter Hart and a minute after that was sent off for a tackle on O'Kelly.

The Wanderers were reduced to nine men in the 51st minute when David Cross was sent off after an off the ball incident with Childs and Walsall made sure of the points on the hour with a Nicky Cross goal.

Our League record against Walsall is as follows:

	P	W	D	L	F	A
Home	5	4	0	1	16	4
Away	6	0	2	4	5	10
Total	11	4	2	5	21	14

In Reserve

13th January 1986. Wolves Reserves 2 Bolton Wanderers Reserves 0

Bolton Reserves, who fielded a strong side, failed to take advantage of the chances that came their way and went down 2-0 to Wolves at Molineux. It was the first time this season that they have failed to score on opponents territory but Wolves had keeper, Scott Barrett, to thank as he made a tremendous save from a 25 yard drive from Simon Rudge after a quarter of an hour.

Down memory lane

15 years ago 23rd January 1971. The Wanderers were without a league game with it being FA Cup 4th round day and so they travelled to Grimsby Town for a friendly game.

Unfortunately Grimsby, then in the 4th division, ran out 2-0 winners before a crowd of only 911. Stuart Brace grabbed both the home side's goals in the 29th and 73rd minutes but Wanderers keeper, Alan Boswell, finished the game needing six stitches in a knee wound.

Stockport County suggested a plan for a cup for third and fourth division sides with the final at Wembley. The idea was shelved but is now with us in the form of the Freight Rover Trophy.

Wanderers centre half John Hulme asked for a transfer although he was first choice centre half.

10 years ago 24th January 1976. An unchanged Bolton side travelled to Huddersfield Town for an FA Cup 4th round tie. A crowd of 27,824 paid record receipts of £17,500. Wanderers' manager Ian Greaves, who spent ten years of his career at Huddersfield, was particularly pleased with a 1-0 Bolton victory which he described as "professional".

The winner came in the 18th minute when from a Peter Reid free kick Garry Jones turned a defender and centred. John Byrom got in a header that struck Town centre half Chris Simpkin and it was Reid, who had sprinted 40 yards after taking the free kick, that knocked the spinning ball over the line.

Bolton earned a fifth round home tie against Newcastle United as their reward.

5 years ago 24th January 1981. With both clubs out of the FA Cup the Wanderers entertained Derby County in a re-arranged second division game.

The game was only 74 seconds old when Derby took the lead, Wanderers' keeper Dennis Peacock failing to hold onto a Steve Buckley shot, Kevin Wilson slipping home the rebound.

Alan Gowling equalised for Bolton in the 13th minute latching onto a Dusan Nikolic pass before firing home. Gowling grabbed his and Bolton's second after 35 minutes when his shot crashed in off the underside of the crossbar to complete the best move of the game started by Dave Hoggan.

The Wanderers made sure of a 3-1 victory when three minutes from time, John Thomas dribbled through the Derby defence and slipped the ball past the stranded Roger Jones.

Former Wanderers' manager Ian Greaves who was in charge of Oxford United, then in the third division, returned to Burnden in an effort to sign utility player Peter Nicholson. The player asked for time to consider the move.

1 year ago 22nd January 1985. The Wanderers defeated Crewe Alexandra 3-2 at Burnden Park in a Freight Rover first round first leg tie. Crewe went ahead after only 10 seconds but Bolton recovered with a couple of goals from Warren Joyce and one from Tony Caldwell.

23rd January 1985. Swinton defeated Sheffield Eagles 14 pts to 8 pts in a Rugby League second division game at Burnden. It was the first rugby league game on the ground and was played on a snow covered pitch.

26th January 1985. Tony Caldwell grabbed both goals as the Wanderers defeated Rotherham 2-0 at Burnden. His first goal in the 41st minute was Bolton's 3000th league goal at Burnden Park but the Wanderers had keeper Simon Farnworth to thank for a fine performance that kept the Yorkshiremen at bay.

CLUB NEWS

CONTINUED

The gusty winds swirling round Molineux did not help either side in a dour first half in which Bolton had the upper hand.

The second half opened with John Armfield making a superb reflex save from Wolves winger Stephen Stouff but Bolton also went close with Sam Allardyce seeing his volley cleared off the line by Paul Dougherty. John Purdie fired Wolves in front after 76 minutes when he took on and beat a hesitant Bolton defence but Wayne Entwistle had a chance to equalise four minutes later only to shoot straight at the keeper.

Henry Wright made sure of the points for the home side in the final minute when he latched onto a through ball, that caught the Bolton defence square, before firing past the stranded Armfield.

Bolton gave a Central League debut to Horwich RMI striker Tony Ellis but he had little chance to show his worth.

Team: Armfield, Shepherd, Roberts, Fitzpatrick, Came, Allardyce, Darby, Ellis, Entwistle, Rudge, Oghani, Sub, Walker for Darby.

Steve's Century For Bolton

The game against Gillingham at Burnden saw Steve Thompson become the third Bolton player this season to chalk up 100 Football League appearances for the club.

He first came into the first team scene as substitute in a testimonial at Wigan Athletic at the end of 1981/82 and the following season was leading scorer for the promotion winning Central League side. He also made his League debut that season, at Derby County and this season has seen him double his League goals tally to 14.

Junior Whites

Today's mascot is Ben St Barbe who is 12 years old and is from Astley Bridge. Ben attends Sharples High School and trains with the school team. His favourite position is on the left wing and his favourite players are Simon Farnworth and Asa Hartford.

Don't forget the next Junior Whites meeting will take place in the executive suite on Monday 10th February at 6.30 p.m.
